Belmont, North Carolina

**Go placidly amid the noise and haste and
Remember what peace there may be in silence.**

**As far as possible without surrender be on good terms
with all persons.**

**Speak your truth quietly and clearly; and listen to others,
Even the dull and ignorant; they too have their story.**

**Avoid loud and aggressive persons; they are vexations
to the spirit**

**If you compare yourself with others, you may become
vain and bitter; for always there will be greater and
lesser persons than yourself.**

**Enjoy your achievements as well as your plans.
Keep interested in your own career, however
humble; it is a real possession in the changing
fortunes of time.**

**Exercise caution in your business
affairs; for the world is full of trickery.**

But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially do not feign affection.

Neither be cynical about love;

***for in the face of all aridity and
disenchantment it is as***

perennial as the grass.

*Take kindly the counsel of the years, gracefully
surrendering the things of youth.*

**Nurture strength of spirit
to shield you in sudden
misfortune.**

**But do not distress yourself
with imaginings. Many fears
are born of fatigue and
loneliness.**

**Beyond a wholesome discipline, be
gentle with yourself.**

**You are a child of the universe, no less than
the trees and the stars;**

You have a right to be here.

*And whether or not it is clear
to you,
no doubt the universe is
unfolding
as it should.*

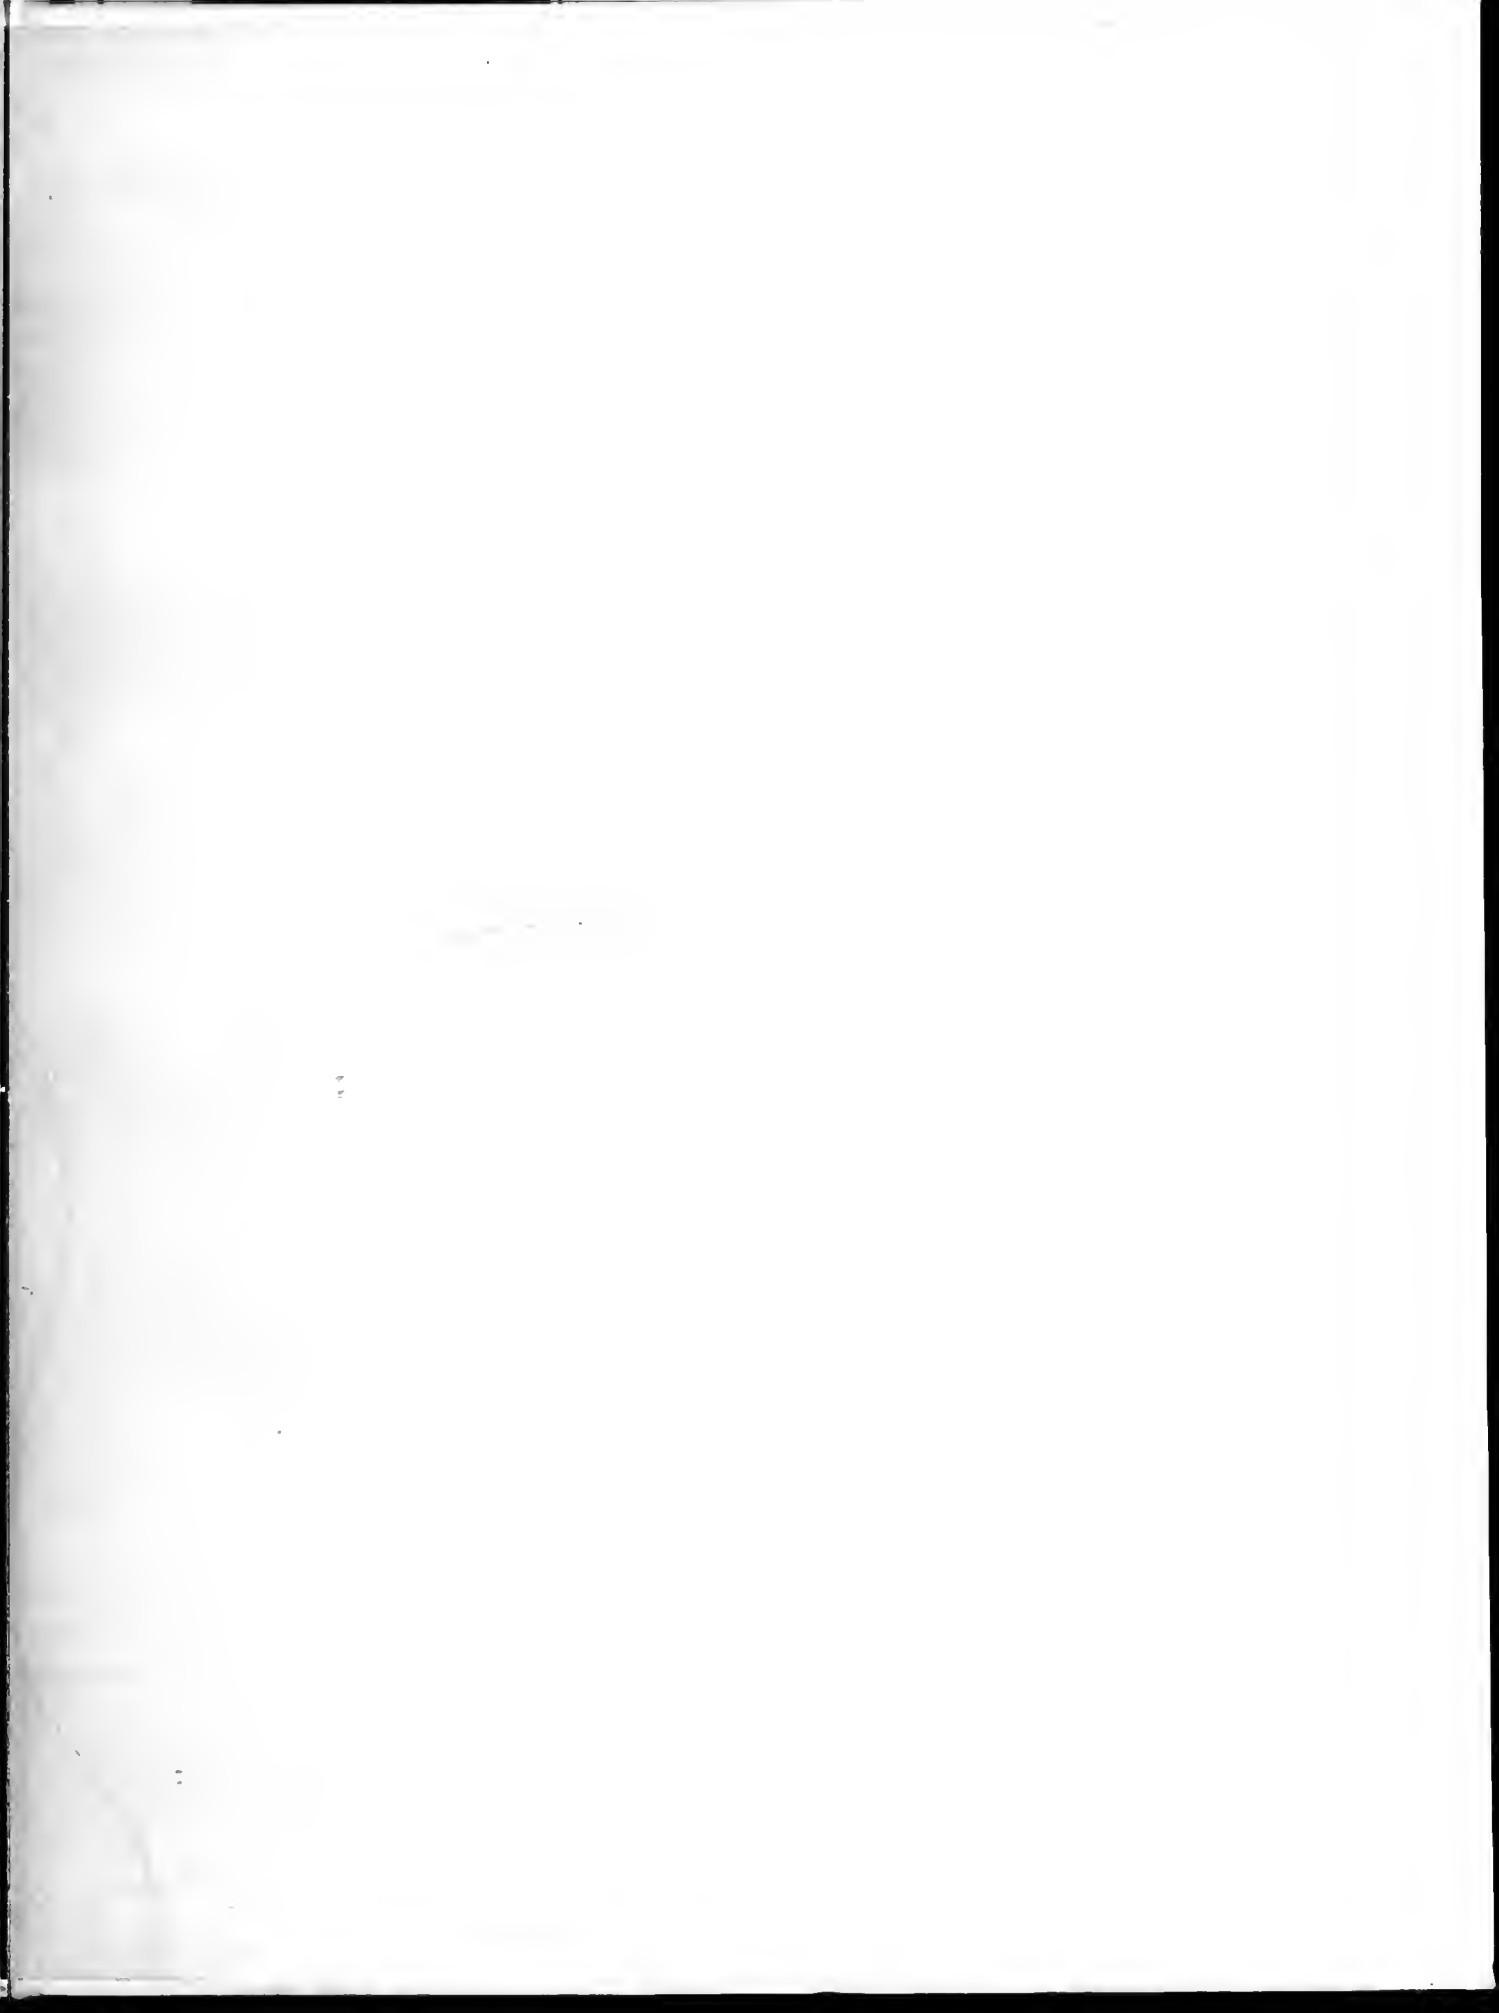

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

*With all its sham, drudgery and broken
dreams, it is still a beautiful
world.*

Be careful.

Strive to be happy.

Father John Bradley

Father Bradley

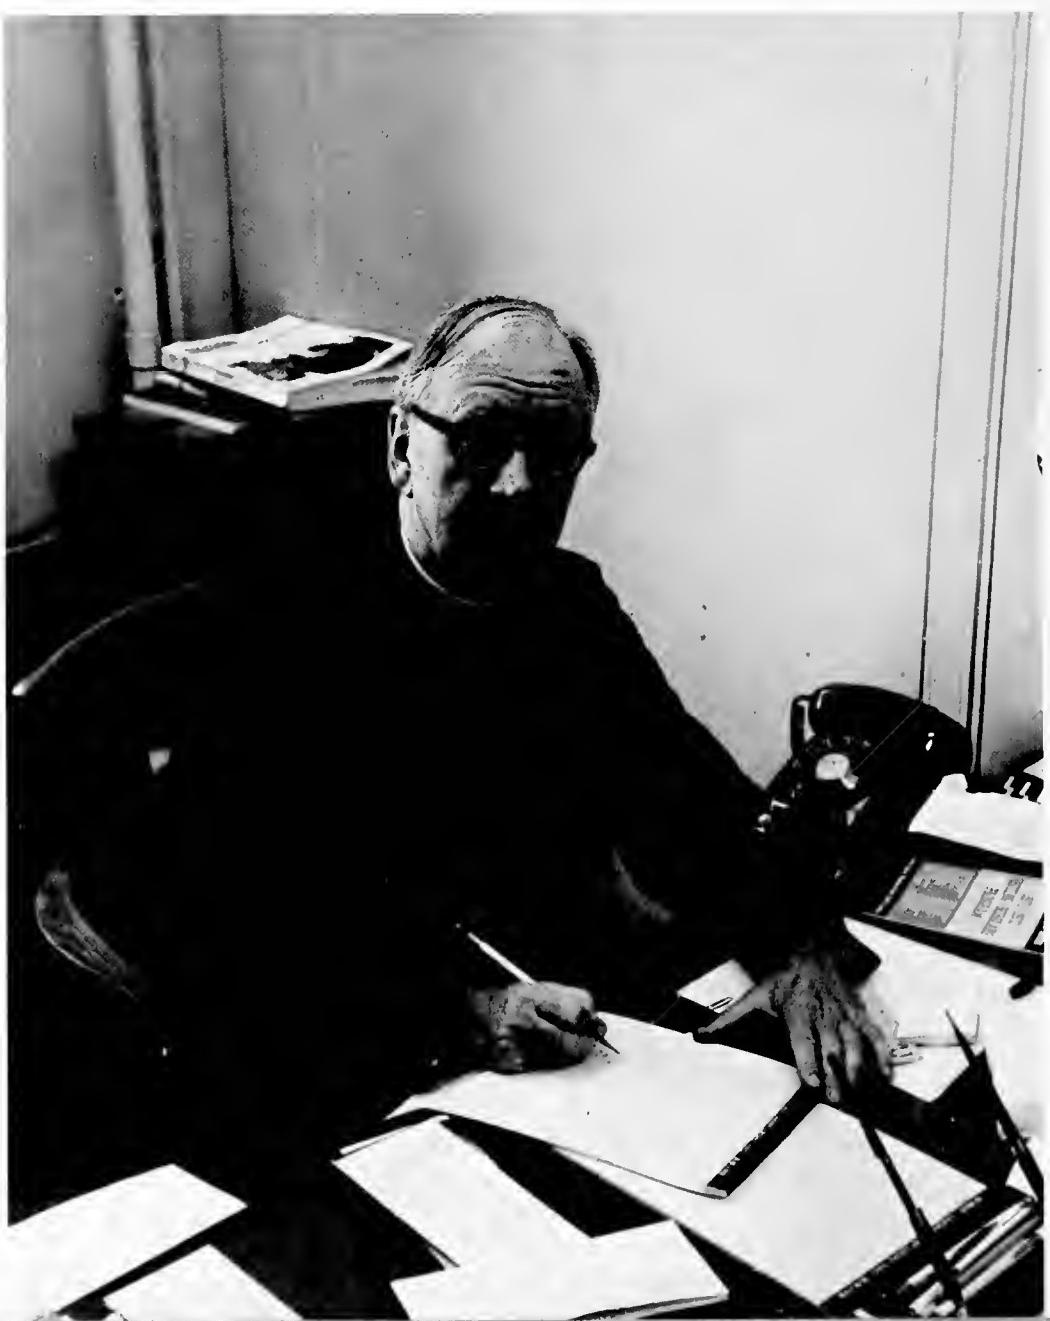

Father John Bradley plays well the role of peacemaker, coordinator, and negotiator for the college. In his second year as President, Father Bradley has unveiled and unravelled several programs to ensure the continuing success of the institution.

Hurdling necessary cutbacks, he has used the past as a yardstick for the future. The staunch determination to keep the doors of this college open is perhaps a reflection of his Scottish heritage. This might also be in the mixture of wit and logic which produces a comfortable but productive atmosphere.

However, the qualities which best befit a president of any institution are those which Father Bradley is most noted for: the ability to "get to the nuts and bolts" of a situation, and to take a stand when necessary. No one is more competent to fill his position at this college than Father John Bradley.

Young Democrats

With the recent political accent on youth, the need has arisen to mobilize the young people of America into an electorate. One such group to heed the call is our own Young Democrats. On the Belmont Abbey Campus the Young Democrats energetically sought to restart the rusty wheels of the campus political machine. The actions of this group are necessarily felt beyond the sphere of normal campus life. And with growing recognition, their future appears bright.

Monogram Club

Achievement and recognition, two vital aspects of college athletics, are also present in the organization of varsity athletes, the Monogram Club. They have banded together hoping to assist in promoting an athletic program this institution is proud to support.

Science Club

Only those who have survived the gruelling regimen of test tubes, formaldehyde fumes, and 'all nighters' could appreciate the life of a science major. But despite what appears to be a taxing existence, our diligent group of experimentors continue to excel. The Science Club attempts to afford them an opportunity to develop amongst themselves the formulae for scientific curiosity and the apparatus for mutual exploration.

Circle K

For those eager to find new ways of familiarizing themselves with the bustling world of business, the organization known to the campus as the Circle K Club is at their disposal. Tracing its origin to the local Kiwanis Club, this club embodies the elements of American life.

College Union

Assimilating both the cultural and the popular aspects of the confusing world of entertainment into an educational institution's program is often a perplexing and thankless task. However, the fun-seeking student bodies of BAC & SHC are fortunate in having the College Union. With an improved Union Building, which is a college of pinball machines, ping pong, and pizzas, the Union offers to the students innovative combinations of recreation and entertainment. With Brother Gregory Corcoran at the helm, assisted by his band of merry men and women, the College Union shall continue to produce successful programs.

WABY has finally found itself a permanent home in the basement of the College Union Building. Broadcasting daily from its new location, WABY is continuing to produce that high quality of professionalism which has become its trademark. Its moderator is the jovial Abbot Walter Coggins whose devotion to student life is represented through his undying efforts to constantly upgrade the quality of "Abbey Radio." A catalyst to several successful careers in broadcasting, this productive organization is another example of the diversity of interests to be found in this liberal arts institution.

The student newspaper is now *FREE LANCE*, the *Phoenix* which arose out of the ashes of *CONTACT*. Now in the capable hands of Ben Bowling, the *FREE LANCE* operates as its name would indicate: to prod students to life, lampoon faulty institutions, and inject the germ of enthusiasm into the student body.

This publication now appears in Abbeymen's mailboxes every three weeks, lending a bit of variety to the student's normal diet of letters and leaflets.

With the acquisition of new and better facilities, and a darkroom, the success of the *FREE LANCE*, seems to be assured.

Greeks

Yes, Virginia, the Abbey does have a fraternity system. And it is one which provides gifts for Greeks and non-Greeks alike. Social fraternities are the donors of Saturday evening entertainment, complementing college sponsored functions. This entertainment is heartily received by—even those with a non-Hellenistic bent.

Though in theory the fraternities are distinct organizations, they all function within similar frameworks and toward the same goals. Whether in the cafeteria, on the field of combat, or during a festive weekend, the spirit of brotherhood continues to surface.

While nationwide, Greek systems are on the decline, Belmont Abbey's fraternities have enjoyed universal growth in recent years. The spirit of the campus is one which easily dispels the adage, "Beware of Greeks bearing gifts."

Greek Week

Greek Week

Greek Week was originally initiated as a test of the many facets of the Greeks on campus. It gives us a look at the minds, the bodies, and what lies behind the pins of the brothers.

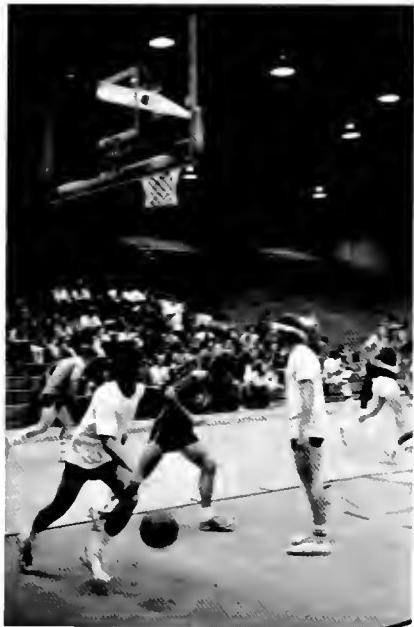

A recent addition, the swim meet shows similarities to the swimming of the Lethe; those who come in first drink like hell that night. The Teke tankers were quickest through the water to score the winning stroke and dive into the Greek Week lead.

The College Bowl is a battle of minds, with Pi Kappa Phi playing the role of Persians at Thermopylae. Exhibiting much the superior weaponry, The Phi Kaps besieged first place and took it.

The ensuing basketball tournament has always been hard fought. This year it was Sigma Phi Epsilon who unlike the legendary king of Corinth was able to roll the ball into the hoop more times than its Sisypitic opponents.

All this is but a prelude, however, to the most looked for and characteristic event of Greek Week... the Greek Games. When the pyramid building, chariot racing, eating, mattress and wheelbarrow racing were completed, it was Tau Kappa Epsilon who emerged victorious; winning the laurels for the second straight year.

Sports

Soccer

Losing several of last year's premier performers, Coach Stanley Dudko was faced with a year of rebuilding. But with a successful recruiting program and the pooling of available talent, the mentor was able to assemble a respectable squad of Crusaders.

Despite a rather disappointing record, the "boys in crimson" managed to supply its vociferous throng of rooters with many a thrill-packed afternoon. Experimenting early in the season, Coach Dudko was able to fine the correct ingredients to make THE BIG RED MACHINE operate at peak efficiency—to once again take the NAIA district championship.

ALL-STARS—Belmont Abbey Soccer coach Stan Dudko (second from left) congratulates James Almon, captain of the Crusaders, for being selected on the ALL-DISTRICT TEAM. Alex Kozak (left) and Bruce Bini (right) also were named to the dream team. Coach Dudko was named Coach of the Year in District 26 by his fellow coaches for the 5th time.

Basketball

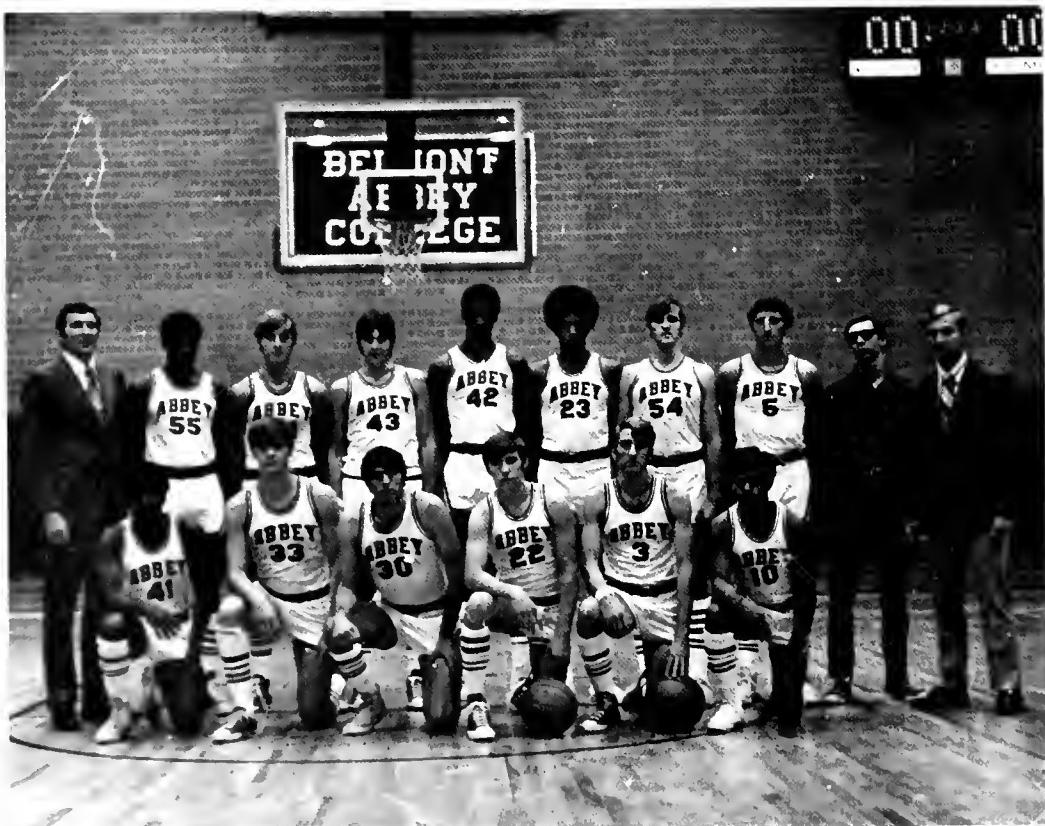

Mr. Bobby Hussey

The acquisition of a new field house and a new Head Coach has brought the Abbey Crusaders their first non-losing season in four years.

A cliff-hanging win over 15th ranked Catawba was one of the high points of the Crusader's season. Throughout the year, the Big Red Machine kept the ball rolling with the play of center Carl Bell and guards Mike Hawkins and Larry Cone—all new faces in the Abbey's lineup. But this youth was tempered by the veteran play of Jim McDede and Phil Robinson.

The Crusaders finished with a 13-13 overall record and much of the credit goes to new Head Coach, Bobby W. Hussey, and his most capable assistant, Michael P. Reidy. Coach Hussey, who dresses much like Frank McGuire, but whose training methods are likened to those of Vince Lombardi, will most certainly become a permanent fixture as commandant of the "Crimson and White."

BASEBALL

The Spring of 1972 brings to Belmont Abbey College, for the last time, that great American tradition . . . BASEBALL. Due to a fine job of recruiting by the team's coach, Mr. Ted Crunkleton, the Abbey could once again rank among the top performers in the South. The weak spots that last year's team succumbed to seem to have been overcome this year. There is a great deal of potential on paper, and the season will hopefully prove these statistics to be true. If a Fall baseball season could prove a team's potential, then the Abbey, without a doubt, is on its way to becoming one of the district's top contenders.

This year the Abbey will play Clemson, Central Michigan, Yale, Maryland, Georgia as well as teams in our own district. With the addition of two junior college transfers and given returning lettermen, the Abbey, unlike the last two years, has the needed experience to become winners. This will have to be the year for the Belmont Abbey College baseball team to prove itself because in 1973 its bats have been silenced.
